I am in my final semester at the University of Missouri-Kansas City where I am majoring in Computer Science. I am a hard-working student with a cumulative GPA of 3.5. I completed my high school diploma at Staley High School with a GPA of 3.7. My work experience includes working in retail and IT at Best Buy. I am very comfortable working with computers and technology since it has always been a passion of mine, and I am always willing to learn more.

Work Experience

Geek Squad Advanced Repair Agent

Best Buy - Kansas City, MO

September 2022 to Present

This position requires me to work repairs on client's computers and other devices. I run diagnostics, virus scans, fix OS issues, install new hardware, handle data with care, and much more. I also work as a Consultation Agent when needed which involves consulting customers and attempting to resolve short-term issues. I have had many good experiences with customers and enjoy working both positions.

Meat and Seafood Clerk

Cosentino's Sunfresh - Kansas City, MO

July 2020 to September 2022

This position involves working in the meat department at New Mark Cosentino's Sunfresh. The main responsibilities of this job are to prep food, both meat and seafood items, assist customers with orders and questions, keep the area tidy, and occasionally order inventory for the department. I have also trained multiple employees and am very familiar taking on a role of leadership.
